# Anelisa Mhlamo

Software Development Student @WeThinkCode\_  
Cape Town, Western Cape, South Africa

## Summary

I am an aspiring Software Engineer, passionate about the fusion of technology, creativity, and data. With strong foundation in Java, Python, HTML, JavaScript, SQL, Docker, Socket Programming, CI/CD and more. I have honed my skills through practical project experiences. Currently, I am broadening my expertise in Data Engineering and nearing completion of the WeThinkCode\_ program. I am enthusiastic about the opportunity to bring my technical skills and perspectives to your team.
